

## Student Understanding of Youth Apprenticeship Time Commitment

I understand that a Youth Apprenticeship requires a time commitment beyond that of a typical high school student. I will be asked to provide my work site with specific hours and days that I will be available to work. I understand that timely communication with my work site mentor regarding unplanned changes in my personal schedule is extremely important.

Below is a list of the other extracurricular activities (sports, musical, band, etc.) in which I plan to participate as well as a summarized timeline for each activity. I am providing as much information as I have available and being as specific, regarding activities and timelines, as I possibly can at this time.

Sport or Activity	General Timeframe (months)	Expected Time of Day/Hours for Practice and/or Competition
Example: Football	August through November	Practice every day from 3-7pm, game every Friday
Example: Musical	February through April	Rehearsal MWF from 5-9 pm, performances on Thursday through Sunday, April 6-9

Summer Vacations or Obligations Planned:

*Example: I am going on a family vacation from July 1-8 and am attending basketball camp from August 10-16*

A Youth Apprentice must complete 450 total work hours during the year, which usually includes summer work scheduling. This means that a typical Youth Apprentice averages 10-12 hours per week to their job during the school year, and often more time during the summer.

As a Youth Apprentice, I agree to:

- Maintain the academic and attendance requirements required by the Youth Apprenticeship Partnership, my school, and my work site;
- Observe company and school rules and other requirements identified by the employer; and
- Participate in progress reviews scheduled with mentors, school personnel and parent(s) or guardian(s).
